Dear Editor-in-Chief,

Journal of Dentistry Indonesia,

Submission of manuscript titled: “ASSESSMENT OF DRUG-INDUCED GINGIVAL OVERGROWTH AMONG HYPERTENSIVE PATIENTS”

With reference to the above matter, on behalf of the authors, I wish to submit this manuscript to be considered for publication in the Journal of Dentistry Indonesia.

We have read the “Author Guideline” and have prepared the manuscript accordingly.

This manuscript describes about the prevalence of drug induced gingival overgrowth among hypertensive patients, a hospital-based study. This manuscript represents an original contribution not previously published; that is not being considered for publication elsewhere; and that if accepted by the Journal it will not be published elsewhere in the same form without the consent of the Editors.

All authors have reviewed the final version of the manuscript and approved it for publication. We declare that the manuscript has been submitted with full knowledge and approval of the institution given as the affiliation of the authors. All authors have contributed significantly and that all authors are in agreement with the content of the manuscript.

All authors have declared no conflict of interest to the work carried out in this paper.

We hope it will be considered in your high esteemed journal and to hear from you soon.

Thank you.

Yours sincerely,

[Signature]

Associate Professor Dr. Haslina Taib
