

Jurnal

Administrasi Bisnis Terapan

Call for **VOL 7 ISSUE 1**
Submissions

“ Innovation in
Business Administration ”

FOCUS AND SCOPE:

The Journal of Applied Business Administration invites submissions of innovative research that connect academic insights with real-world business practices. We seek contributions that integrate theoretical concepts with practical applications and promote groundbreaking ideas and trends in business administration. We welcome papers from new theoretical frameworks to empirical studies, offering valuable perspectives for researchers, academics, and practitioners.
